Liberty Tire Recycling's Dick Gust Appointed to Environmental Advisory Council
– Gust to Serve as Co-Chairman for New, Green Tire Industry Organization –

PITTSBURGH, February 2, 2010 – Pittsburgh-based [Liberty Tire Recycling](http://www.libertytire.com), the premier provider of tire recycling services in the United States, is pleased to announce the appointment of Dick Gust as co-chairman for the newly-formed Environmental Advisory Council (EAC) of the Tire Industry Association (TIA). In his role with the EAC, Gust will help oversee the 12-member organization, which was designed to provide strategic information, advisory services, educational programs and governmental assistance to promote green operations and environmental awareness throughout the tire industry. Gust serves as president, national accounts at Liberty Tire Recycling.

“Dick is truly an advocate for green practices and initiatives within the tire industry and we are proud of his recent appointment to the EAC,” said Jeffrey Kendall, chairman and CEO of Liberty Tire Recycling. “Liberty Tire is at the forefront of tire recycling innovation, and we are proud to have employees like Dick who can act as catalysts for change and as advocates for best practices throughout the industry.”

The EAC replaces the Tire and Rubber Recycling Industry Council. The new council will work to encourage TIA members and others in the tire industry to be more energy efficient in their operations, reduce waste, ensure safety and reuse, repair or recycle tires as much as possible.
